

POINT OUTDOOR

The ottoman that enhances any outdoor space.

Here's the story

Pretty and practical, this small round outdoor pouf is the dot on the i for everyone's outdoor spaces.

Fatboy has modified the original Point with a new super-soft cover and a non-slip bottom. Like to leave your furniture outside? If it's up to Fatboy, that's no problem at all. Even better, Fatboy encourages you to go for it! With Point Outdoor, you'll have an extra seat outside all year round.

Point Outdoor perfectly combines quality and functionality, as it can also be used as a side table or outdoor footstool. This garden pouf is water and dirt repellent, UV-resistant and colorfast. Rain, mud or spilled drinks are nothing to worry about.

Take it wherever you want to go, Point Outdoor suits any space, indoors or outdoors.
