

# ORIGINAL

Beanbag and interior icon, all rolled into one.

## Here's the story

If you're serious about relaxing, then there's only one serious option: Fatboy's Original beanbag. This beanbag has been synonymous with relaxation since 2002, everywhere. Renowned all over the world, this oversized beanbag simply invites you to envelope yourself in comfort. This beanbag is 6.8 kilos of instant relaxation. Forget sitting up straight, or with one leg neatly crossed over the other. This beanbag has just the one setting: Relax. With a capital R. The strong nylon cover is water and dirt repellent and can take rough treatment in its stride. Giving you many years of enjoyment, which is exactly the intention.

## The one and only beanbag – and rocking beanbag

The Original beanbag is available in a broad range of colors. In the warehouse in Den Bosch, every Original beanbag is manually filled with 3,542,897 tiny plastic balls. These wrap themselves around your body, in whatever position you sit or lounge. Always wanted to rock on your beanbag? This dream comes true with the Rock 'n Roll, an oversized metal rocking frame that's a perfect fit with your Original. Place your beanbag on it and what have you got? The most relaxed rocking chair imaginable, that's what. But be warned: you'll never want to get out of it.
