

ORIGINAL STONEWASHED

Original Stonewashed is a beanbag and interior icon rolled into one. Instant relaxation, in casual cotton.

Here's the story

Forget sitting up straight, or with one leg neatly crossed over the other. This beanbag has just one setting: relax. At its headquarters in Den Bosch, Fatboy fills every beanbag with 3.542.897 tiny balls. These wrap themselves around your body to give maximum comfort. The hardwearing, 100 percent cotton cover can take rough treatment in its stride. Giving you many years enjoyment from your Original Stonewashed. Which is exactly the intention.

Naturally unique

The stonewashed cotton of the cover has a natural look and feel and its warm colors will add a stylish touch to any interior. Every wash is slightly different. Exactly those small imperfections and color nuances make your Original Stonewashed completely unique. No worries if you spill something; Original Stonewashed is water- and dirt-resistant. A quick wipe and your beanbag will be like new again.

Rock 'n Roll

Always wanted to rock on your Fatboy beanbag? Fatboy too. Which is why Fatboy made the Rock 'n Roll, an oversized metal rocking frame that's a perfect fit with your Original Stonewashed. Place your beanbag on it and what have you got? The most relaxed rocking chair imaginable, that's what. Be warned: you'll never want to get out of it.
