

# PICNIC LOUNGE

Picnic in comfort on this large and Persian picnic blanket that will never cease to amaze.

## Here's the story

This picnic blanket is genuine design sensation. Picnic Lounge is a Persian classic with a contemporary Fatboy twist. Invite your family, friends or your date for a spontaneous picnic. Settle down in the park, the woods or even on a pebbly beach. Thanks to its foam filling, comfort is guaranteed, wherever you use it.

## No-fly zone

For long and carefree picnicking, Picnic Lounge comes with oversized pins to keep it firmly in place. So this Persian rug won't be flying off anytime soon. And if any sand should drift onto your picnic blanket, you can easily wipe it off with the supplied brush. It even has a convenient pouch to safely store your phone and keys.

## 1001 destinations

You won't believe this... a picnic blanket that's water-resistant on top and underneath. And because you can simply roll it up like a handy carrier bag, Picnic Lounge can accompany you anywhere. Easy to take along on the train to the beach, or on your bike to the park.
