Recommendations

- Do not poke with sharp objects, this might cause the fabric to tear
- Please iron the covers on the lowest temperature to activate the water-repellent coating after long term use
- Long-term exposure to outdoor conditions may harm the quality of your product, store your product when not in use in a dry and shady place to increase its longevity
- Please make sure the product is clean and dry before storing

HOW TO ENJOY YOUR PRODUCT TO THE MAX

Keeping it clean
 To clean the cover from dust and dirt, spray it with cold water (30°C) or wipe it with a soft cloth soaked in water.

For heavily soiled areas lightly scrub the area with a sponge soaked in mild detergent and rinse with cold water.
