

ORIGINAL PUFFER

Here's the story

Introducing the Original Puffer! Fatboy's nod to the latest fashion classic. Now that the street is being dominated by hugely soft puffer jackets to live in, Fatboy thought it was high time for a puffer in your house. To celebrate the 25th anniversary of Fatboy's Original beanbag, this exclusive Puffer beanbag will be available in a limited edition from June 12. A collector's puffer!

Big, streetwise and super soft

The Original Puffer is a big super softie. His quilted cover will embrace you, like a giant duvet. And thanks to his extra thick filling, the Original Puffer will steadfastly keep his shape. And not just stylish, super practical too, with his water- and dirt-resistant nylon cover. So no worries if you drop some cake on him or spill champagne (well it's his birthday party, after all).

25 cheers for 25 years of Fatboy's Original beanbag

Since its launch, back in 1998, Fatboy's Original has been the center of everyone's attention, in living rooms, gardens, balconies, parties, beaches and even on the ski slopes. In 25 years, this beanbag has become a design classic in all its guises, from velvety recycled polyester to stonewashed cotton. The Original has become the hangout of choice for originals in every generation. And you ain't seen nothin' yet: Fatboy has only just started!
